Not Your Shadow is an audio/visual live performance powerhouse bulldozing a new path for the heart & hips.

#futurefeels

Through an irrefutable journey of self- discovery and artistic growth, David Isen has both manifested and projected his intravenous talents onto the world that surrounded him since the very beginning.

Be it Miami, Phoenix, or an international tour, Not Your Shadow has set course to push the envelopes of melodic bass music, one track at a time with original vocals, self made visuals, and personalized dmx lighting show all controlled live as he performs.

David has headlined music festivals from Full Moon Festival to playing the legendary Ultra Music Festival with hundreds of thousands of attendees from all over the planet. He has supported foundational pioneers such as Gridlok, Ghastly, Dirtyloud, Stanton Warriors, and many more, further cementing his role in the new generation of bass music mavericks. He has more recently played alongside headlining acts such as Hatcha, Shiverz, Audigy, Emalkay.

Not Your Shadow has carved his name into the ranks of the new age of talent, and his next chapter — has only just begun.
